Tell us about yourself. On a separate sheet of paper, list all participation in high school activities and programs. Include all honors or awards earned, positions held, as well as community or church involvement, service programs, event participation and /or employment.

As a separate essay, describe the lessons you have learned from watching your mother or father or legal guardian perform their responsibilities as an official or from officiating yourself and how that may have made you a better student, citizen and person. Be specific as to incidents or experiences you have had and how they affected your views or ideas. This essay should be 400 words or less (one typed page, double spaced) and will be judged on content, witting style and mechanics.

Submit at least three letters of recommendation with your application with at least one from a school professional, one from a community person and one from a certified sports official. Submit these with your application and list their names and information here.
